Location Map

The map shows the Lake Michigan basin with seven subcatchments labeled SCC1 through SCC7. SCC3 is highlighted in orange, indicating the location of the study site. The map also shows the shoreline of Lake Michigan and the surrounding land area.

The information included on this map has been compiled by King County staff from a variety of sources and is subject to change without notice. King County makes no representations or warranties, express or implied, as to accuracy, completeness, timeliness, or rights to the use of such information. This
